Alma Mater

Dear Palmersville, our Alma
Mater,

Thy praise we sing with heart and
voice.

Thy Black and Gold flows proudly
o'er us,

While on thy glory we rejoice.

So stand thy brave old feet about
thee,

When the branches wave in storm.

Stand thy old feet to defend thee

While the world is full of strife.

*We the Seniors of 1977
Dedicate Our Yearbook to:
Mrs. Mary Nell Pentecost*

In expression of our appreciation, we dedicate our yearbook to Mrs. Mary Nell Pentecost. We'd like to thank her for her help, support, understanding and for the knowledge that she has so patiently taught us. She will always be a part of our fondest memories of Palmersville High and she will always hold a warm place in each of our hearts.

. . . The Senior Class of '77.

Class Cut-Ups

I have been most pleasure to have had the privilege to work with you in school. I have learned to love each of you and wish the best of everything for you. You have been most cooperative in our work and association together. I hope that I have made the right impression on you so that our association will make your life more fruitful and each of you will be happy in whatever vocation you select. May God bless all of you.

We've only just begun to succeed
 Is our motto
 Which we stand by and believe
 To fill our growing wants and needs
 To fight for our goal which we have set
 To meet
 To rejoice our winning and accept our defeat
 To pick up and start over if we shall fail
 To help our fellow student be brave and stand
 tall
 The class of '77 pledges to do our best
 To set a good example to show all the rest

The Last Wills and Testaments of the Class of 1977

I, Terry Stephenson, leave to Kenny Quinton my ability to achieve goals with more physical than mental stress, and in the least amount of time possible.

I, Cheryl Allen, will to Marc Hotovec my love and my ability to always come up with an excuse for skipping class and leaving school. To the Annual Editor of 1978, I will, lots of luck, one well used annual kit and all the help you can get your hands on. To Keith Turbeville, I will, my gracefulness with which to "walk" across the playground.

I, John McAlister, being of little mind and strong body (OD), will to the Junior Class of '77 my great average in study hall and great ability to fry people's eyes.

I, Tina Jackson, will to Anthony Rainbolt, my ability to be guilty but act and look innocent and get away with everything.

I, Roger D. Ainley, do hereby bequeath the following to Jeff Brann, 2 pairs of 3 inch stacks, to Hal Bynum, my coordination, to Marc Hotovec, the ability to own an old green car and to Tim Seaton, control of the area due north of Palmersville.

I, Pat Jolley, will to the Cheerleaders my ability to do one of my fantastic cartwheels and crawl in a hole if you can find one. I also will my ability to Jeff Brann to hold what you can and don't indulge in any more.

I, Tommy Ray, will to Hal Bynum my ability to handle livestock in Ag. Class and not be afraid.

I, Dave Curry, will to Mark Mansfield, what sense of humor I have and my ability to remain humorous under tense and serious circumstances.

I, Rene Stephens, will to Jeff Jolley and Ben Johnson my green "devilish" eyes, to next year's cheerleaders my ability to mess up and convince them it was right, and to all the freaks my ability to "party hardy" (finding roaches - private joke) and not get caught.

I, Scott Leo, will my ability and skills to own and drive a Dodge and to beat any Chevy or Ford any place anytime!! (maybe)

I, Susan Copeland, will to Keith Turberville my ability to stay cool, dress in style when I feel like it, and always stay straight at the Pizza Hut. To Billy (Berle) Stephenson my ability to keep my weight down without being on a diet. To Kenny Quinton the ability to keep my mouth shut without having to be told. Ha'

I, Mike Gifford, do hereby bequeath, to the majority of the Alma Mater, my ability to get out of tight situations with a minimum of punishment, due to my quick thinking, in view of the problem. Also to Marc Hotovec my ability to run into a 6 foot brick wall just so I could get out of P.E.

I, Lisa Emerson, will to Sharlyn Thompson an acre of land on a different gravel road, and to Ann Benham I will more trips to Mid-South Fair.

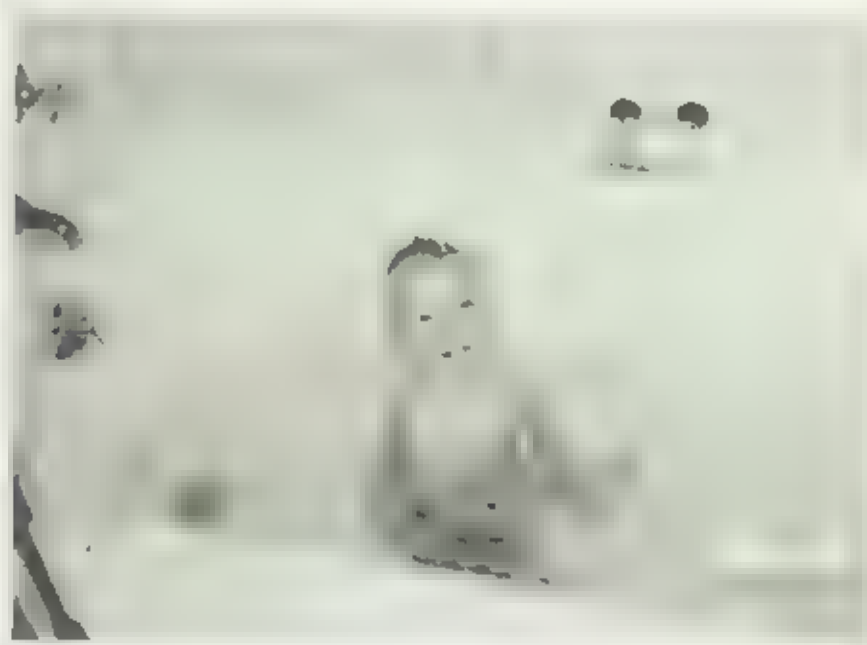

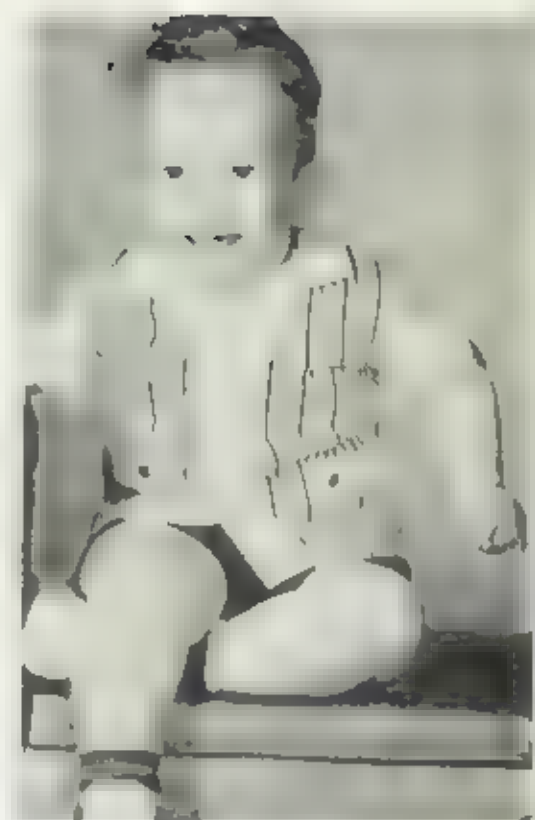

I, Steve Reynolds, will to the whole Junior Class my ability to hand in my history notebook and to my brother, Glen, I will my ability to wear out back tires.

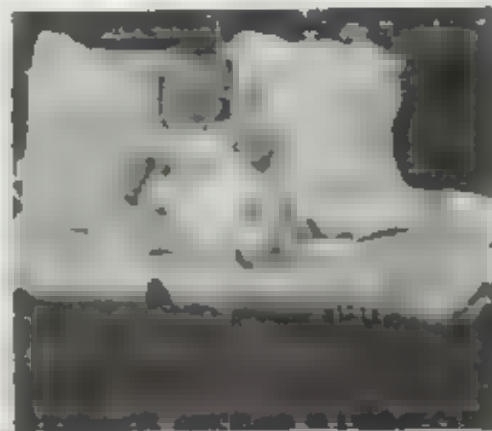

I, Keith Scott, being of empty mind, will to my brother, Steve, my ability to get the shortest lines in the Junior play.

I, Gayle Osteen, will to Keith Turbeville my ability to dance in the parking lot without any music and also my ability to dance unbuttoned. (private joke.)

I, David Westbrook, being of dead body, and weak kidneys, bequeath my fro, to Tony Rainbolt.

We the Senior Class of 1977 will to the Class of 1978, our ability to annoy teachers, have lots of fun and make the biggest mess imaginable at Ruitan.

English.

Coca-Cola (Koka-Kola)
Coke (Koke) trademarks which
identify the same dark-colored,
delicious, carbonated
soft drink
This unique tasting
soft drink gives
real refreshment
quenches thirst, it's the real thing

Math.

Man X is working in the sun
where it is 97°
Man Y is working in the
shade where it is 92°
Both X and Y then have
a bottle of Coca-Cola,
ideally served at 34°
Construct an equation

$X + Y + \text{refreshing Coca-Cola}$
